

Clothes for the Show "Chwedltastig" - 13.12.17

In order to help with the preparation for our school show this year could you please send in suitable clothes as indicated below by Wednesday December 6th.

Please ensure that all items are clearly labelled with a name and class and are on a hanger or in a bag. If you do not have suitable clothing then please discuss with your class teacher so that we can sort something for you. Also if you have suitable clothing for another class and are willing for us to borrow them we would be very grateful.

Important information for all pupils

- All pupils are expected to attend both performances or this could disrupt the running of the show. Also all pupils are expected to stay until the end of the show to perform in the finale.
- **On 13.12.17** - We ask kindly if parents could collect their children from the Arts Hall, Trinity St David's University, Lampeter following the afternoon performance rather than from the school. Also you will need to bring the children back and collect for the evening performance. Details of times will follow.
- **On 13.12.17** - Children will come home in their "show clothes" following the afternoon performance. They will need to come back for the evening performance in the same clothes.

Clothes Information for every class.
