

How many pebbles on the beach?

June - July 2019

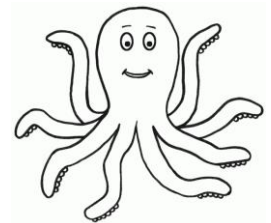

Dear Parents,

Our theme for this half-term is 'How many pebbles on the beach?' Which creatures live by the sea? 'Where does sand come from?' We will explore these questions and more in this project about the seashore.

Lines of enquiry might be:

- plants and animals that live on the seashore
- pebbles, sand, shells and rocks
- the sea.

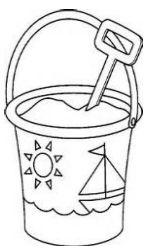

As always, if you think you can contribute to the theme in any way, e.g. by sending in books, stories, artefacts - we would be very grateful.

We look forward to a new theme together.

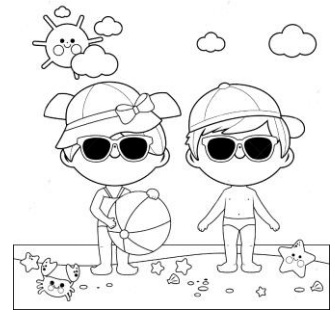

Thank you.

Mrs Emma Jones, Miss Natalie Jones & Mr Kevin Jones.

Faint o gerrig sydd ar y traeth?

Mehefin - Gorffennaf 2019

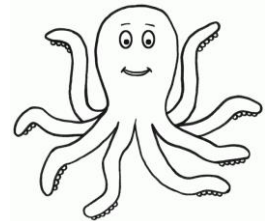

Annwyl Rieni,

Ein thema yr hanner-tymor hwn yw 'Faint o gerrig sydd ar y traeth?' Pa greaduriaid sy'n byw ar lan y môr? O le mae tywod yn dod? Byddwn yn trafod y cwestiynau yma a llawer mwy yn ystod y prosiect hwn am lan y môr.

Ffocws ein dysgu fydd:

- planhigion ac anifeiliaid sy'n byw ar lan y môr
- cerrig, tywod, cregyn a chreigiau
- y môr.

Os ydych yn teimlo y gallech gyfrannu at ein thema mewn unrhyw ffordd, e.e. drwy ddod â llyfrau, storïau neu arteffactau i mewn i'r Ysgol - byddem yn ddiolchgar iawn.

Edrychwn ymlaen at thema newydd gyda'n gilydd.

Diolch yn fawr.

Mrs Emma Jones, Miss Natalie Jones a Mr Kevin Jones.
