

# A new way to record, track and monitor homework at Ysgol Bro Pedr.

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, all their deadlines and their submission status and grades. We have decided to bring on this system to improve the way we communicate with parents and give you greater visibility into the homework we set.

You will be provided with login details to your personal account, which is linked to your child's homework calendar where you will be able to see your child's To-do List and any homework that is overdue. These logins were sent out last week with your child, as it is our intention to launch it in the coming weeks

We'll be launching Show My Homework on **10/12/18**, initially only with year 11 pupils, and we hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

To keep up to date on the move please download the Show My Homework app once you receive your login details, you will then be sent push notifications to let you know what homework is due. You will also be notified of grades, overdue homework and announcements/events.

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just visit [help.showmyhomework.co.uk](http://help.showmyhomework.co.uk) or call 0207 197 9550.
