Read the minutes from the last meeting.

1. BMX Track

- Need more publicity regarding the plans – Must ask Mr Charles

2. School Uniform

- We discussed that the school uniform's quality is extremely bad, especially the jumpers.
- We discussed that the School Council and the community decided on these uniforms.
- We agreed that, because of the large quantity of stock, we would continue with this uniform.
- We decided that we must uphold the rules about School Uniform.

3. The Toilets' standards

- Ffion and Owain will go and speak with Mr Charles about the mirrors in the girls' toilets and about the hand dryers that don't work in the boys' toilets.
- Hygiene is also a problem.
- Some of the doors don't stay closed.

4. Bwyty'r Bont

- Prices in the canteen - Billy and Bethan will go and ask Linda about where the prices are being shown.
- Need a better use of the television down there e.g. attendance figures

5. St. James' School (Lesotho)

- We received greetings from St. James' School in Lesotho, our partner school's School Council. They are encouraging the cooperation between both councils. An offer has been made to send them a letter with a picture of us.

6. A.O.B
