Welcome everyone

1. Eco Committee

- Need to organise a Fair Trade day for all year 6 pupils from the surrounding primary schools. Date = Wednesday 27/02/2013
- Create a Fair Trade Café
 - Need help for the Fair Trade Café
 - 2 6th form pupils should run the café
 - pupils from every year in school should help in the café

2 School Policies and Action Plan

- Pupils who want to be part of the sub-committee.
 - Cari Lake, Gethin Morgan, Meirion Thomas, Twm Ebbsworth, Siân-Elin Williams and Lois Price.
 - Meet straight after half term

3 'Survey Monkey'

- Every pupil will complete a survey on the computer – This is a very simple way of collecting pupils' opinions quickly.
 - Answer the questions on the computer and the graphs will show the answers.
- The first survey could be on homework (e.g. 'Do year 7, 8 and 9 pupils have too much homework?' – there's a very big gap between year 6 and year 7!)
 - Another topic could be 'Could pupils begin the GCSE course in year 9?

4 Questions for Mr Williams

- What steps are you planning to move the school forward?
 - Mr Williams feels like he is behind his desk far too much. He wants to get to know more of the pupils. He needs to create a list of things to do after the half term holidays.
- Need to make sure that the fields are ready.
 - The field isn't safe enough to play on at this time.
- The 6th Form want Wi-Fi in order to do their work in the common room.
 - We will try to install Wi-Fi in the common room only, and we must also fix all the computers so that they are better and faster. A specified computer area for staff and 6th Formers would be a very good idea.
- Talk about another sports day.

5 Any other business?

- More school pupils should take part in the Urdd Eisteddfod – There's plenty of talent in this school!
- Need to create some sort of 'Pigion yr Wyl' full of comedy for 'Comic Relief'
