

School Council Minutes

Date: 07/05/2013

Apologies: Sophie Jones yr.11 & Vaughan Evans yr.13

Agenda

1.	Minutes from the previous meeting
2.	School Uniform – Consistency & Fleece Jackets
3.	School Fields – latest information
4.	Fun Day
5.	School Discipline a) General Impression b) Five Steps of Behaviour
6.	A.O.B

Meeting begins at 9:20am

1. Minutes from the previous meeting

Minutes from the previous meeting were read – no issues were raised. Mr David Williams, the Headmaster proposed that the notes were correct and Sian Elin agreed.

2. School Uniform

An issue has been raised that the school jumpers are too cold. Pupils from the junior campus agree and like the idea of having a fleece and rain coat in one. Pupils from the senior campus feel that a fleece might look untidy. The sixth form pupils have asked about having a smarter black fleece. Mr Williams will research different options by the next meeting.

3. School Fields

Mr Williams announced that there is a possibility of having use of the fields by October. He also mentioned that a caravan project is in progress in the junior campus and a project to fix the roof.

4. Fun Day

Gethin explained what happened during the fun day last year and spoke about the positive response it had from the second phase. It was decided that Mr Deiniol Williams would collaborate with pupils from phase 2, years 9 and 10 and Arwel 5X60.

5. School Behaviour

1) General Impression – that behaviour has declined and especially in the new block during lunch break as there are problems with the duties timetable. It was noted that the sixth form pupils are meant to be on duty but very often they're not. The headmaster proposed a duty protocol to try improving this situation where the sixth form tutors will be ensuring that the pupils would turn up. When speaking about this subject, Mr Williams mentioned having better structured assemblies and concentrating more on issues.

- 2) Mr Williams mentioned the five steps of behaviour being observed. The council's response to this was very positive and Mr Odwyn Davies offered that this could be placed in the ethos.

6. Any other Business?

Junior campus – not enough pegs – the headmaster is going to look at this situation.

Senior campus – Coursework problems by the end of the year and the need for a better structure. Mr Odwyn Davies spoke about the parking area.

Meeting ended at 10:30am
