Read the minutes from the last meeting – the situation of the school fields are developing. Twm offers that the notes are correct and Lois seconds.

#### 1. Healthy Eating

- In the primary sector the pupils bring crisps and chocolates to the school on a regular basis.
- We must encourage pupils to bring healthier pack lunches and snacks to school
- Must speak to the Eco Committee about this problem – maybe they can design a 'Healthy Eating Plan'

#### 2. Fun Day

- Pupils from years 5, 6, 7 and 8 will take part
- Possible Themes
  - Fair Trade Countries
  - Fair Trade Foods
- Teachers must be included in the teams
- The Eco Committee will run a drinks and fruit stall during the day
- The teams
  - Coco
  - Coffee
  - Sugar
  - Cotton

- Bananas
  - Must speak to Arwel 5X60
  - Invite Carwen Richards to the Fun Day
3. New school coat
- Black coat – can turn the coat inside-out and use it as a fleece
  - Can wear the coat in the classroom
  - Twm does not like the sleeves
  - Jess and Myfi believe that girls will not like the coat
  - The coat can also be used outside school as it is plain - it was felt that the coat was warmer and therefore fulfilled the needs of the pupils.
  - The price of the coat was also discussed and at around £20 it was thought that this was quite reasonable.
4. Bwyty'r Bont
- Meirion will speak to Linda in the kitchen about the food being sold there and to ask about how the 'Healthy Eating' ideas are going.
  - Gareth and Jess will design a set of questions to ask Linda about the food
  - Must invite the kitchen staff to the next meeting
  - It is possible that there will be a questionnaire that will go out to everyone in school
5. Printing system
- The cards are on their way
6. A.O.B.
- The quality of reporting is inconsistent - Yr.10 say that parts of their reports are missing and that targets being set need to be more developmental. Yr.9 have not even received their reports yet and Yr.8 believe that teachers are not teaching things fast enough / frequent enough.
  - Possibility of a letter will go out to parents about the Year 9 reports
  - It was thought that someone could liaise with the science department to look into the matter

Meeting finishes at 10:20 a.m.
