

June, 2019

Dear Parent/Guardian,

We are writing to all parents to remind you of ways in which the school can assist with costs related to school activities and meals. Both I and the School Governors are acutely aware that current economic conditions are such that many families may have seen changes to their job status, incomes and household budgets. Financial help is available for parents who are in receipt of certain support payments.

The school will receive additional funding for every child that is entitled to free school meals, and we feel that if a child is eligible for assistance, it is essential that they receive it. Our pupils' welfare and dignity is very important to us.

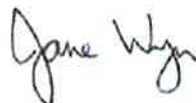

Taking up your entitlements include:

- **Access to free school meals worth £2.50 a day, from September 2019 onwards. We have introduced a cashless catering system in the school's canteen (Secondary sector) which means that this is now completely anonymous. Information can be found on the following website:** <http://www.ceredigion.gov.uk/resident/schools-education/free-school-meals/>
- **Assistance with instrumental lessons.**
- **Assistance with school uniform. Information can be found on the following website:** <http://www.ceredigion.gov.uk/resident/schools-education/school-uniform/>

You can discuss in confidence any element of this letter, and we would be pleased to assist you in completing the application form. Should you wish to access this assistance, please telephone the school on 01570 422214.

I thank you for your consideration and your ongoing support to pupil welfare.

Yours sincerely,

**Mrs Jane Wyn,
Headteacher.**
