Dear Parent/Guardian,

**Parents Evening for pupils in Years 3,4,5 and 6**

On July 2<sup>nd</sup> you will receive your child's end of year progress report. Following this we invite you to attend our virtual Parents' Evening on **Thursday July 8th**, between 3.30 – 6.30 to further discuss your child's development.

Due to the Coronavirus guidelines and restrictions we are unable to offer face-to-face appointments with staff at present, and therefore the school has introduced a new online video appointment system. The system allows you to choose your own appointment time with a class teacher and you will receive an email confirming your appointment.

You can book your appointment for the evening by going to this website <https://ysgolbropedr.schoolcloud.co.uk> (see instructions) between 24.6.21 and 7.7.21. Appointments will last for up to 4.5 minutes, therefore it is important that each appointment starts at the stated time as they cannot be extended beyond the original end time.

You will need to login with the following information:

**Parent Details**

**Student Details**

**Your email address**

If you have recently changed your email address but not informed the school, please do so by emailing [M.Jones-Williams@bropedr.ceredigion.sch.uk](mailto:M.Jones-Williams@bropedr.ceredigion.sch.uk)

If you do not have access to the internet, please contact the school office who will be able to pass this information on to the relevant members of staff.

Yours sincerely,

**Mrs LI Jones and Mr H Roderick**
